Item 4.01 Changes in Registrant’s Certifying Accountant

On October 31, 2017, (the “Dismissal Date”) the Board of Directors of Processa Pharmaceuticals, Inc., formerly known as Heatwurx, Inc., (the “Company”), dismissed Pritchett, Siler & Hardy, P.C. (“Pritchett”) as its independent registered public accounting firm. The report of Pritchett on the Company’s consolidated financial statements for the year ended December 31, 2016 and 2015 did not contain an adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope, or accounting principle, other than to indicate that there was substantial doubt as to the Company’s ability to continue as a going concern.

During the year ended December 31, 2016 and through the Dismissal Date, there have been no disagreements with Pritchett on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Pritchett would have caused them to make reference thereto in their report on the financial statements. During the year ended December 31, 2016 and through the Dismissal Date, there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K of the Securities Exchange Act of 1934, as amended.

The Company provided a copy of the foregoing disclosures to Pritchett prior to the date of the filing of this Current Report on Form 8-K and requested that Pritchett furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements in this report. A copy of such letter is filed as Exhibit 16.1 to this Form 8-K.

On October 31, 2017 (the “Engagement Date”), the Company engaged BD & Co. (“BD”), as its new independent registered public accounting firm. The engagement of BD was approved by the Company’s Board of Directors on October 31, 2017. During the years ended December 31, 2016 and 2017 and through the Engagement Date, we did not consult with BD regarding (i) the application of accounting principles to a specified transaction, (ii) the type of audit opinion that might be rendered on the Company’s financial statements by BD, in either case where written or oral advice provided by BD would be an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issues or (iii) any other matter that was the subject of a disagreement between us and our former auditor or was a reportable event (as described in Items 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K, respectively).
