About Access to Giving Virtual Conference

Access to Giving is a first-of-its-kind virtual investor conference where companies from microcap all the way up to megacap will have the opportunity to present their story and conduct 1x1 meetings with qualified investors, for charity. Investors will make donations to purchase a block of meetings to meet with companies.

About Processa Pharmaceuticals, Inc.

The mission of Processa has been to develop products where existing clinical evidence of efficacy already exists in unmet medical need conditions, medical conditions where patients need treatment options that will improve survival and/or quality of life. The Company has assembled a proven regulatory science development team, management team, and Board of Directors. The Processa development team has been involved with more than 30 drug approvals by the FDA (including drug products targeted to orphan disease conditions) and 100 FDA meetings.
